

## **Migrating from Mac OS 9 to OS X**

December 9, 2004

**CompUSA**

“Class was just what we needed. Covered all items of interest. Very good presentation!”

“Best training I’ve had so far. Very thorough and easy to understand.”

**Want to take another class from us?** “Only with Jay Sprout”

“Presented class so well that no matter what your level of knowledge is, material was presented so everyone understood information.”

“Jay was the most intelligent and proficient teacher I have ever had.”
